

## **Drama Kidz- Showtime! Agreement**

Our goal for our Art With Heart Studio *Drama Kidz - Showtime!* program is to provide a fun, unique and enriching experience to all of our youth participants! We want to help build the skills and confidence needed to rock it on stage!

Theatre is a team activity, which means in order to give our participants the best experience possible, we all need to work together. Participation in our *Drama Kidz - Showtime!* program requires a solid commitment from our cast members... and their adults!

To participate in the *Drama Kidz - Showtime!* program, you must agree to the following:

### **Attend all rehearsals**

- This is a short program and we have limited rehearsals before showtime. If an actor will need to miss a rehearsal (due to appointments, vacation, etc) please inform us ahead of time.
- If an actor cannot attend due to illness, emergency, or other unplanned events, please provide us with as much notice as possible. The tasks for each rehearsal are planned out in advance and the director may need to make changes if cast members will be absent.
- ***Missing more than 3 rehearsals may result in removal from the program!*** Cast members rely on each other to build a great show. Missing cast members results in confusion and difficulty with blocking, cues, and character development.

### **Arrive on time**

- With such short rehearsals, every minute counts! Cast members are required to be on time and ready to go by the scheduled rehearsal time.

### **Read the script & practise at home**

- Acting is hard WORK! We cover a lot of things in rehearsal but actors will still need to do some work outside of rehearsal time. When it comes to memorizing lines, cues and blocking, repetition is key. The more work an actor puts in, the more confident and comfortable they'll feel on stage!

### **Rehearsals are closed to the public**

- Sorry, only the cast and crew are allowed to attend rehearsals. We want to create an environment where our actors feel safe to take risks and make mistakes and the best way to do this is to leave the audience for showtime!

### **Check e-mails often**

- All communications happen via the e-mail address provided on the registration form. Please add [info@artwithheartstudio.ca](mailto:info@artwithheartstudio.ca) to your safe senders list and check your e-mail often for any important updates!

Thank you for your understanding and cooperation. Together, we can make this an amazing program for our young actors!
